“ Chairman Message

CONCORD STARS is a leading construction Company in United Arab Emirates. Concord Stars has always been a key contributor to GCC construction sector. It proudly associates itself with prestigious projects in UAE.

We are committed to having a good partnership, transparency and reliability with our clients rather than Client-Contractor relationship. Our clients are fully aware that we have the skills, resources and expertise, and most importantly, the ability to complete their projects to the highest standards on time.

Health, Safety, Quality and the Environment are among the most important concerns of our company and we follow strict safety regimes as well as quality procedures and strives to continuously improve its performance. We at Concord Stars take pride in our achievements which we attribute to the dedication of our staff, whose exceptional skills and expertise are the key value of our company's success. Thanks to our loyal team of workers & professionals, we have succeeded in proving that we can deliver on our promises, we can rise to the challenge and excel in our performance to the satisfaction of our clients.

It has been a very challenging journey from the start of our company until today. Having started as a small family business. Our major challenge today is to sustain the growth we generated till date. We are proud of our past and we have an active present and we look forward to a promising future.

MAJED ISSAM EL NABOULSY
Chairman.

Health, Safety And Environment

OUR BELIEF

- ▶ Management of Concord Stars Contracting LLC holds the first priority to be safety, welfare and health of its employees.
- ▶ All activities, which injure people, damage machinery and destroy materials, can be prevented by taking specific safety precautions.
- ▶ Implementation of safety is a line responsibility and safety personnel will work as catalysts to ensure that all site personnel will fulfill their safety responsibilities voluntarily.
- ▶ It is a good business practice to guard against accidents & occupational diseases and the associated losses arising out of the same.
- ▶ Concord Stars Contracting LLC is aware of the impact our work can have on the environment. We support the principle of sustainable development and are committed to taking an environmentally responsible approach to all our business

OUR GOAL

- ▶ Provide the safest possible working environment to employees.
- ▶ Encourage safe behaviors by suitable motivation.
- ▶ Discourage all types of unsafe behaviors consistently without failing to imbibe "Zero tolerance" culture.
- ▶ Build safety & health requirements in all aspects of the organization.
- ▶ Take all practical steps to prevent pollution in our activities.
- ▶ Conserve resources through the efficient use of energy and material.
- ▶ Provide appropriate training for our employees and subcontractors to improve awareness and knowledge of their environmental obligation.

ENVIRONMENTAL POLICY STATEMENT

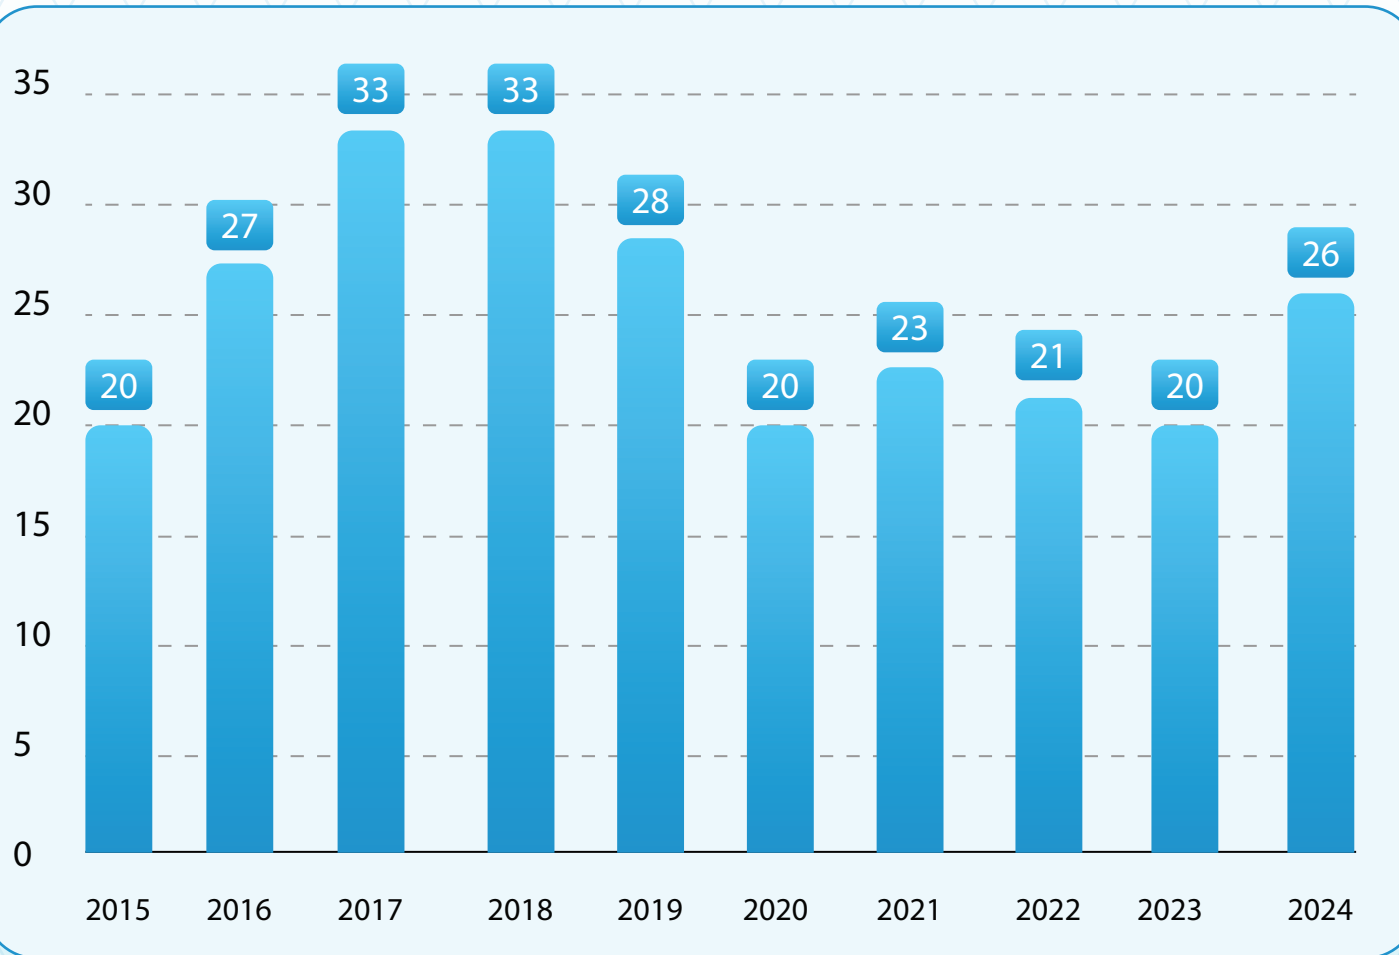

- ▶ Concord Stars Contracting LLC (CSC) recognizes that construction has a profound impact on our natural environment, economy, health and productivity. The protection of the environment is one of our major corporate responsibilities; it is a guiding principle in the operation of our business, and a key component in the measurement of our business performance.
- ▶ As part of CSC's Environmental Management System (EMS), we will:
 - Strive to continuously improve the way we conduct business with the objective of performing work while minimizing the impact on the environment and ensuring compliance with the contract requirements, environmental laws and regulations.
 - Effectively manage the use of hazardous materials and products, and ensure that effective measures are in place to protect human health and the environment when such materials must be used, stored and disposed of.
 - Develop and maintain appropriate emergency and spill response programs.
 - Promote reduction, reuse and recycling in all of our activities.
 - Promote efficient use of materials and resources throughout our construction jobsites including water, electricity, raw materials and other resources.
 - Commit to restoration and rehabilitation of all temporary construction areas.
 - Protect wetlands, streams, rivers, lakes and coastal waters, trees, vegetation, steep slopes and highly erodible soils.

Clients/partners

Projects Graph

Number of Project

Our Services

Enabling & Earthworks

Concord Stars provides a variety of construction services including wet and dry utilities, water networks, storm water drainage, sewage and irrigation networks. We manage site work, infrastructure, electrical, telecommunications, integrated transportation systems, other utilities, underground piping, and pond construction.

Main Road & Street Lighting Contracting

Concord Stars is a major road, asphalt paving, and excavation contractor, operating one of the largest fleets of excavation, grading, and asphalt equipment in the UAE.

Bridges & Tunnels Contracting

Concord Stars is proud to have accomplished the construction of numerous tunnels and bridges across various Emirates.

Specialized Infrastructure Piping & Related Fitting

We have extensive experience in pipeline construction across a variety of locations and conditions. As a results-oriented pipeline contractor, we have earned an exceptional reputation for delivering high-quality construction.

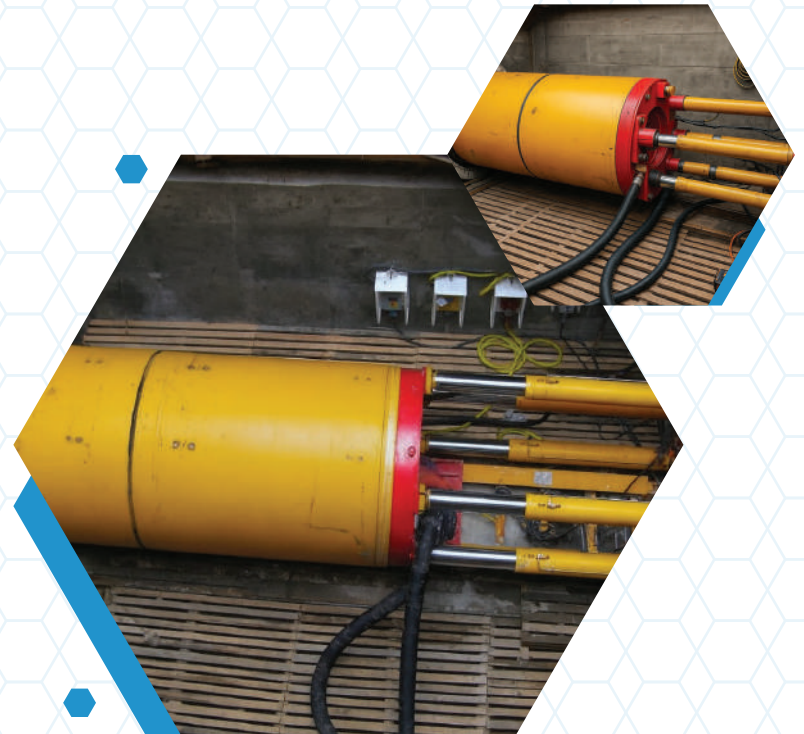

Water Drainage Construction

Concord Stars provides a range of construction services for the waste and water treatment plant industry, including site work, infrastructure, utilities, underground piping, and pond construction.

Microtunnelling Works

The company has established a new division for Microtunnelling and Pipe Jacking-related activities.
